GREAT RACING IS
SEEN AT FAIR

Five Heats Needed for the Big
Harness Event—Fast
Card Today.

Before one of the largest and perhaps the most enthusiastic crowds of the week the racing card at the fair ground yesterday was presented.

The first event on the card, the 2:17 trot or pace, was the feature race, and it will be remembered as one of the most hotly contested harness events in years, five heats being necessary to decide.

After losing the first two heats, D. A. Lord's Fay Bernard showed to the front in the third, fourth and fifth heats and took down first money from such cracks as Alzama and Mayflower.

Henry Barker's big road, Alzama, took the first heat and was made the favorite on the performance. The old warrior, however, found the company too speedy in the following encounters, and while a contender, could not get up at the wire.

Mayflower showed flashes of great speed, but broke at crucial times and lost much ground. She staid down to win the second heat in the fastest time of the day.

In the third heat Mayflower broke while leading the field past the first turn, dropping back to a bad last. She picked up, however, by fishing close back of Alzama.

When Mayflower broke Fay Bernard took the lead and never pushed. She showed herself a stayer by taking the next two heats and the race, being a strong favorite after the third heat.

As picked by the harness followers, R. E. Allen's Prodigal Barren won the 2:24 trot, fighting it out with Harmonic, who took the first heat. The Provo mare had all the speed in the stretch after starting a mile pace, and showed fine money from youngster, Martha Dean and Rilex divided third and fourth moneys.

Jim Devine's Marcella was pushed out-clasped by the more speedier field.

The Strite Billy, Eel, was made the strong favorite in the first run at four and one-half furlongs, but again proved a disappointment by stopping in the stretch after starting a mile pace, and Harley's Weidon, second in the Utah handicap, the best of the others for show.

Irish Mike was never in danger in the second run at six furlongs, winning as he pleased. Diamond Nose furnished the surprise by stopping in the stretch after starting a mile pace, and Harley's Weidon, second in the Utah handicap, the best of the others for show.

St. Joe managed to win at last, taking the last race of the day and furnishing Silvia U. the pacemaker. Robert Mitchell came on for place.

Today will see the closing card of the state fair race meeting. Two harness events are on with the feature run of the 2:30 pace, the 1500 Inland Empire handicap, at one mile. The size of the purse has attracted the cracks of the Utah Vista stables and the owners will fight a hard battle for the money. Frank Lubbock, the crack of the Irwin Bros. stable, Little Osage, Yuba, the crack two-year-old of the Anchorage stable, and others will furnish class to the field.

One of the best horses bought cheap in some time during a race track was Irish Mike. He was the second runner yesterday C. B. Clay asked F. A. Maley, owner of the Salt horse, what he would take for him. One hundred and fifty dollars after the race, came the answer. Mr. Clay then offered \$175 before the race and the horse was accepted. As Irish won then \$115, his price was just \$60. Irish Mike will be used for breeding purposes on the Clay ranch.

After his splendid performance Weidon was picked by R. H. Hartley, his owner, to win the second race. The saddle, however, could get a good third.

THE EEL TAKES ANOTHER
